

**COMMUNITY ASSEMBLY REPORT
TO LINCOLN HEIGHTS NEIGHBORHOOD COUNCIL**

January 21, 2014: Representative: Marilyn Lloyd

Urban Farming – Council President Ben Stuckart

He has drafted Urban Farming Regulation changes, working on changes in the city code on animal restrictions and proposing to increase the number of small domestic animals at a residence (i.e. hens and other “small livestock”). There will be an Urban Farming open house and he has developed a working group (advisory team). A pilot market program in 5 CD neighborhoods will be proposed permitting sale of fruits, vegetables and eggs grown or raised on site. For more information go to Office of Neighborhood Service, Spokane - www.spokaneneighborhoods.org

ONS/Code Enforcement – Heather Trautman

Applications for Traffic Calming Funds are on line and due by March 1st. ONS is developing standards for graffiti abatement and will have a report in the near future. ONS is attempting to get input on a recent Pilot Project – Communication and Outreach. Go to <https://www.surveymonkey.com/s/NJ2GGGR>. Jackie Caro has been our representative and valuable to our neighborhood.

Fairchild Air Force Base Encroachment – Al French

There will be a 2nd ballot measure for the funding to remove houses on the encroachment (last encroachment to be removed) for planes in and out of Fairchild. Fairchild is the region’s number 1 employment site with approximately 6,000 military and civilian employees and economically very important to the community. There is concern that it may interfere with the next review of bases for removal. Go to www.spokaneneighborhoods.org for more information.

Upcoming Events

State of the City Report by Major Condon on January 31st, 6 pm at North Central High School Auditorium.

South Hill Coalition meeting for Lincoln Heights Neighborhood planning will be around the 1st of March. Date to be announced.

Action for Future Meetings:

Ben Stuckart – Urban Farming

Al French – Fairchild Air Force Base
