The City of Spokane and Lincoln Heights Neighborhood Council invite you to help us celebrate the planting of 5-7 foot trees in the 35th Ave Parkway. We will mulch the trees, apply protective shields around the trunks, and further beautify the parkway by planting spring bulbs and drought resistant rhizomes, such as lilies and iris. Bring the following, if you have them:

- Bulbs or rhizomes that you wish to donate
- Garden rake
- Pitchfork
- Shovel
- Trowel
- Garden gloves
